View from the Cheap Seats

Juniors

Congratulations to our Juniors in their 33 - 0 win over Brother Andre last week, looks like they're really starting to come together as a team, way to go boys!!!!!!!.

Next week (October 29, 3 p.m.) Juniors play GW Williams at Sheppard's Bush. A must win game to make the play-offs. GW Williams has a similar record so it should be a good close game. Good Luck boys!!

Seniors

Congratulations to our Seniors in their win over Newmarket High. The largest score we can remember - 77 points!!!!

In fairness to Newmarket High, they are in rebuild mode after sitting out the Senior season last year. Well done Seniors for playing on a cold wet day. It didn't slow down the offence even a bit.

The Other Guys

Around the YRAA, big upset as Markham Seniors lost by a point to King City this week. It looks like their passing attack doesn't hold up to weather. (We beat KC 34-6 in our season opener.)

Our Other Metro Bowl Region rivals:

C/SAA:

Trinity College and Villanova in top spots, but don't count out St. Andrew's College or St. Mike's yet.

This division is very competitive and this race is too close to predict yet.

Durham:

This is the race we have to watch because if we win YRAA, we play the winner of Durham in Metro Bowl semi-finals. Very competitive, but look for Holy Trinity, St Mary and maybe Pickering.

Donald Wilson (last year's Metro Bowl finalists) is in

trouble having lost two games already.

GTA:

Look for Northern, Don Bosco and Birchmount Park, all three teams are 6 - 0.

Our Supporters

As the season approaches the finals, we'd like to acknowledge a couple of outstanding regular season fans. First, Jackie Driscoll who has attended Huron Football games for many many years. We hear rumour that Jackie is even mentioned in a HHSS year book from 1980 or so for her dedication to the team and sewing efforts when DJ's Dad was on the team. The Football Program needs dedicated fans and we can usually count on Jackie to be in the stands no matter what the weather. Thanks Jackie! We also tip our hats to Mr. Placko Sr. who shows up rain or shine to cheer on both teams and who usually has a bit of considered advice for at least one of the Coaches.

Lastly, we'd like to mention Gary Burke, Huron Football Alumni and owner of Burkes Restoration Inc. who has come forward to join our list of corporate sponsors. Gary tells us that he played on one of Huron's Championship teams "back in the day". Thanks Gary for your support.

If you're a Huron Football Alumni, we'd like to hear from you. Please share your stories and your photos with us.

If you haven't ordered your game gear for the upcoming finals, please visit our website at www.wfbc.ca. Look for our banner at upcoming games and remember, our \$10 membership fee comes with a free t-shirt.

GO WARRIORS!

Fundraising Initiatives

Our corporate sponsor list continues to grow and we thank the business community for stepping forward to support our Football Program.

The WFBC currently has almost \$4,000 in the bank. We remain hopeful that we'll finish the year in a strong enough financial position to purchase one of the larger items from the Wish List.

To date, the WFBC has provided about \$4,000 in direct benefits to the Football Program including funds for equipment repairs, pre-game meals, post-game treats, and Football Wall of Fame, just to name a few.

We need your participation at the November 14th Bowl-A-Rama to finish this season on a positive note. We've got a great evening

planned. There are some real deals being offered thanks to so many community business who have donated items for the silent auction.

And remember, any player who sells two tickets is admitted to the event FREE.

Contact us at www.wfbc.ca for more information!
